Bedrooms and Facilities

High Trenhouse is a converted upland farmstead. We have two self-contained buildings each with its own bedrooms, meeting rooms, dining room and bar. Its homely purposeful interiors establish a creative working environment of exceptional quality.

The two buildings can be used independently or together.

Wireless broadband internet access (WIFI) is available free of charge throughout. All bedrooms have telephones with direct dial out facilities. Please note that incoming calls cannot be received outside office hours (8.30am-5.30pm) except in an emergency.

All bedrooms have been converted to cosy cottage rooms giving each room its own character.

The list shows each bedroom with its facilities.
